

Chill, brill, won't spill!

My name is Britt Baker and I'm running for Vice President of the LSS!

What do VPs do?

The two VPs support the President, Leadership Team and Directors. We sit on the Leadership Team and help ensure the organisation runs smoothly.

My qualifications?

As Education Director, I was responsible for managing multiple co-opts and tutors, and overseeing programs such as:

- The STS;
- Pathfinder;
- Stepping Stones;
- Producing the Orientation Guidebook and Video;
- Organising the Sir Anthony Mason Lecture;
- Introducing the Disability Support Drop In Sessions;
- Advocating for the cohort when academic issues arose; and
- Organising cool, free events, such as Hypo Information Sessions and a public lecture by Nobel Peace-Prize winning Tim Wright!

This experience demonstrates my motivation, passion and readiness to deliver valuable initiatives and support. I care deeply about the LSS, and want to harness this energy and expertise as VP!

Why me?

1. I've implemented **disability support**, and will continue promoting disability support services. I will also improve access to broader **student support** services;
2. I have a strong **institutional knowledge** of the LSS. I've been on the Committee for two years (as First Year Rep and Education Director), and know its constitution, budget and portfolios inside out; and
3. I pride myself on my **emotional intelligence**. Although the role involves supporting LSS Committee Members, I promise I will extend the support and good vibes to everyone at Melbourne Law School!

I've got you. Chill, brill, won't spill – Britt for VP!
