

THE CLAYTON UTZ MOMENTUM COMMITTEE

ANNUAL DIVERSITY LECTURE

Image Based Sexual Abuse - Legal and
Social Responses to “Revenge Porn”

STAY TRUE.

WE DO.

The Lecture will focus on the current legal framework surrounding image-based sexual abuse (aka “revenge porn”), the impact of this offence on victims and potential areas of legislative reform.

We will also give you a few tips about what we look for in our prospective clerks and some information about what it’s like to work at Clayton Utz. It’s a chance to hear about an evolving area of the law and help you work out whether Clayton Utz is the place for you.
