

Hi Voters, we are Jackson Willows and James Tucker, and we have nominated to be your Educations Co-Directors.

### **Jackson**

I've had a ball at law school so far. A big part of that has been thanks to the hard work of the folks at the LSS. From the Sir Anthony Mason Lecture to the competitions to the LSS trivia night to the Pathfinder program to the Beyond Law School sessions, I've enjoyed them all.

I want to give back to the LSS and I think the best way to do that is by taking on a portfolio. I've chosen Education because it has the greatest impact on students' lives day-to-day and that means I'd be able to maximise my contribution.

### **James**

Starting law school this year I genuinely didn't know what to expect and I had no idea I'd end up joining a community with so many great people. So much of this can be attributed to the LSS and the incredible job they do be it organising Mooting, Netball, Law Ball, Pathfinders. The list goes on.

Now moving onto my second year I want to give my bit back and contribute to the incredible culture that the MLS and LSS have. I feel I can best achieve this by nominating to be an Education Director (with Jackson Willows) and I hope to be given the opportunity to continue the great work that Britt and Amy achieved in regards to this portfolio.

**We would both greatly appreciate your vote.**
