

KAV & SANGO

Activities Directors

Kav and Sango here, making you an offer you can't refuse! As Activities Directors, we will go out of our way to ensure our all of our fellow students feel INCLUDED and enjoy their experience at law school. Our focus will be on introducing NEW events (BOAT Party) and reinvigorating the CLASSICS (Silent Disco at EOX Party) ensuring maximum involvement across all year levels.

We will have a dedicated WELFARE Officer at all of our events to guarantee that everyone feels safe and comfortable, whilst having an amazing time. We hope to create a stronger COMMUNITY SPIRIT across the JD and facilitate FUN and friendships through the Activities portfolio. We also are keen on hearing what you have to say and will create an avenue to get as much input from everyone as possible.

Between the two of us we have planned and managed dozens of events including balls, end of exams parties, boat parties and camps (MULSS & M-ASS). We are both currently on the LSS Committee with Kav being an Activities Co-Opt and Sango being on the Competitions team. Alongside university society EXPERIENCE, we bring H1 banter and a strong work ethic to the table. We are fun loving, APPROACHABLE and more than capable of taking on the responsibility of the role.

Whether it's flipping snags, hyping up LSS Sport or shredding the D-floor with you all at law ball, we are up to the task! For a WHOLESOME and FUN 2018-19, Vote [1] for Kav and Sango.
