

FIRST YEAR REPRESENTATIVE NOMINEE

Eliza Lennon

Make law school fabulous again

An original acrostic poem by Eliza Lennon

V- vote for me!

O- Obligations! No one has to be here, we are all here because we want to be! So why don't we make the next few years the best we can!

T- Thoughtful! Yes I coordinate my pink sparkly folder to my pink sparkly keep cup, and I will put as much effort (maybe even more) effort into being your first year rep!

E- Election promise! If chosen to be one of your first year representatives I will strive to listen to your thoughts, concerns and suggestions. More parties, study suggestions, career guidance or dogs to cuddle at lunch? Lets make your law school dreams come true!

E- Experienced. Although I have 0 experience in studying law just like you, I am experienced in sitting on a committee, listening to ideas, making suggestions and putting ideas into action. I have held various leadership positions over the last few years, highlights include being Environment Captain in year 6, as well as being a member of the University of Melbourne Cheerleading committee for 2 years.

L- Learning! That is the main reason we are all here, so lets make the most of it!

I- I will be your point of contact for any concerns you have and I'm always up for a coffee date!

Z- Zesty

A- Amazing at acrostic poems, among other skills. Say hey if you have any other questions.
