

Hey!

I'm running for Third+ year rep and a poster is beyond me but I did write a short blurb:

Hey all! I'm running for Third+ year rep for 2018/2019. I've put my hand up because I want to contribute to our cohort having a great final (or penultimate for those extending) year. I care about emotional and physical wellbeing and keen to help in any way, whether that's a chat, going for a run (I don't run, let's go lift weights), or lobbying faculty to fix things that do our heads in. Recently I got in Judith's ear about how nasty the level 5 kitchen and fridge are from the entire UoM using them at their leisure and in response, it is now MLS swipe card only and thorough cleaning has been promised. Give me more things to fix for us and I'll do my best to get it done. Ideally by this stage most of you know who I am and I can't change your mind in 250 words so vote for me if you think you want me to be your Rep, if you don't know me, come find me and make up your mind. Disregard the resting b*** face, I'm actually fairly cuddly. I live between the gym and level 3, occasionally spotted hunting for snacks within a 1km radius of MLS.

Cheers :)
