

Hello current first-years!

I'm William Suhr and I'm running for the position of Second-Year Representative. Being your representative this year has been an amazing experience; I've enjoyed getting to know many of you and helping with any issues you've had.

At its core, the role involves direct advocacy; I'm hoping to engage with you individually to action your ideas and resolve your issues.

My Goals:

Wellbeing Support:

- It is crucial that we are able to support and help each other through 2nd year.
- My plan:
 - o A weekly drop-in session where I will be brewing a pot tea and coffee with some biscuits
 - o Produce an accessible overview guide to wellbeing support
 - o Humans of MLS showcasing the personality and diversity within the MLS walls

Clerkship Information:

- Provide as much information on the clerkship process as possible!! It is especially daunting if, like me, you don't even know what they are!
- My plan:
 - o Casual information session bringing together past clerkshippers to talk through the process
 - o More information on non-commercial clerkships!

Hoodies Management:

- In addition to locker hire (best real estate in Pelham St), the role of will be extended to include hoodies
 - o Was great to chat with many of you during hoodie pickup at the LSS and am excited to follow up on feedback

Thriftshop Tuesdays:

- Tuesdays = paint the MLS in colour and style
 - o Prizes awarded each week
 - o Phreshness royalty crowned at the end of each semester (HUZZAH!)
